This Portfolio management report was prepared based on particulars obtained from sources which we believe to be reliable. All opinions expressed in this report, especially in the Market Review and Strategy section, are based upon our analysis and interpretation of these particulars.

This is not an official statement of your positions held at National Bank Financial. Discrepancies in transactions or positions between the monthly statements you receive from National Bank Financial and this Portfolio management report are mainly due to timing differences in the productions of the two reports. The Portfolio management report captures information such as management fees and fund distributions processed after the final day of the month which impacted the reporting period. Please consult your Investment Advisor should you require further information.

Client accounts are protected by the Canadian Investor Protection Fund (CIPF) within specified limits. A brochure describing the nature and limits of this coverage is available on request.

National Bank Financial is an indirect wholly subsidiary of National Bank of Canada. National Bank of Canada is a public company listed on the Toronto Stock Exchange (NA:TSX)

From time to time the National Bank of Canada may enter into lending or financial arrangements with companies that are the subject of National Bank Financial Inc. research reports or that are recommended. At the date of this report, National Bank of Canada is a lender to TMX Group Limited under its credit facilities. As such, National Bank Financial Inc. may be considered to have an economic interest in TMX Group Limited.
